## Guano 0-11-0-0

Phosphorus	(P)	Water Soluble	0.01% w/w
Phosphorus	(P)	Citrate Soluble	5.7% w/w
Phosphorus	(P)	Citrate Insoluble	5.9% w/w
Phosphorus	(P)	Total	11.6 % w/w min
Sulphur	(S)	As Sulphate	0.06% w/w min
Calcium	(Ca)		27.0% w/w
Cadmium	(Cd)	Maximum 300mg/kg	46 mg Cd/kg of P
Mercury	(Hg)	Maximum 5mg/kg	0.4mg/kg
Lead	(Pb)	Maximum 100mg/kg	7 mg/kg
Fluorine	(F)	Maximum 40,000mg/kg	0.005% w/w

### Product Information

**IMPURITIES:** This product contains heavy metal impurities. Its use may lead to an accumulation of cadmium, and/or lead and/or mercury in the soil. Depending on soil characteristics, irrigation water quality, plant species and variety, crop uptake of cadmium and/or lead and/or mercury may exceed the maximum limits allowed in food standards. In pasture, the offal from grazing animals may also exceed these limits.

This product contains fluorine as an impurity. Do not feed this product to livestock or use in stock feed mixtures. If top dressing pastures, do not graze for 3 weeks or until rain or irrigation is received.

**DIRECTIONS FOR USE:** A Guano fertiliser mainly used for pasture top-dressing. This product is stored in a conventional depot so guarantees of minor contamination from other fertilisers cannot be given. If used in organic systems, check with your certifying authority regarding suitability. This product is not suitable as a stockfeed supplement or for application in solution, i.e. dissolved in irrigation water, water injection equipment or as a foliar spray.

Because climatic and soil conditions, application methods, irrigation, agricultural and grazing management practices are beyond the control of Impact Fertilisers Pty Ltd and cannot be foreseen, Impact Fertilisers Pty Ltd accepts no responsibility whatsoever for any commercial damage, loss or other result following the use of this product whether used with directions or not, subject to any overriding statutory provision and provided such liability under those provisions shall be limited to the replacement of the goods as supplied or rendering again the services that are provided. The buyer accepts and uses this product subject to these conditions.

**SAFETY DIRECTIONS:** This product contains Dust. Do not swallow. The dust from this product may act as an irritant. Avoid inhalation and contact with the eyes and skin.

**STORAGE:** Store in cool, dry well ventilated area, removed from oxidising agents and foodstuffs. Do not store in silos.

**CARE OF EQUIPMENT:** This product can be corrosive to metals. Clean equipment after use, and follow manufacturer's maintenance advice.
